

PRODUCT SURVEILLANCE CERTIFICATE (MODULE A2)

AK 042

NOTIFIED BODY NUMBER 2984

Internal production control plus supervised pressure equipment checks at random intervals is the conformity assessment procedure whereby the manufacturer fulfils the obligations laid down in points 2, 3, 4 and 5 of PED Directive 2014/68/UE (annex III - module A2), and ensures and declares on its sole responsibility that the pressure equipment concerned satisfy the requirements of this Directive.

The Mark of Conformity may only be affixed to the above type approved product and a manufacturer's Declaration of Conformity issued provided the production is assessed under surveillance of a notified body according to Annex III and with Article 18 and 19 of the PED Directive 2014/68/UE.

This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform EU-Cert of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled.
